

98%+ Modulating Furnace

Ruud is proud to announce the launch of the new *Ultra*® Series U98V Modulating Up Flow Furnaces.

The new PlusOne™ Energy Efficiency of 98.7 AFUE matches the industry high and now Ruud has the only furnace line up to hit 98%+ across all furnace sizes!

The new U98V units are EcoNet® enabled and compatible with the **UETST601SYS EcoNet Control**.
