

# COMBUSTION PERFORMANCE & CO SAFETY

## 3-DAY TRAINING WITH CERTIFICATION

**OCTOBER 17-19, 2023 • 8 AM - 5 PM**

*Lunch and beverages provided*

Wild Rose Casino - Rose Room

777 Wild Rose Dr., Emmetsburg, IA 52732 • 712-852-3400

### LEARN HOW LITTLE WE REALLY KNOW ABOUT COMBUSTION, SAFETY AND CARBON MONOXIDE . . .

Students will learn to profitably deliver optimum combustion performance and carbon monoxide (CO) safety through the proper use of combustion analyzers and draft gauges. Common CO sources and efficiency issues are identified with appropriate solutions. Many former students report life-saving stories that are directly attributed to knowledge gained from this course.
